January 18, 2018

**NOTICE FOR BIDS**

The Juneau County Public Works Department will receive proposals for an asphalt overlay approximately 6000 feet of CTH HH. This is a C.H.I.P. D project. The location is from the intersection of STH 82 south to just past the Lemonweir River bridge. The existing pavement will be milled 2 ½ inches by county forces. The overlay shall consist of a 2 ½ " 4 LT 58-28 mix asphalt compacted pavement 30' wide. Asphalt will be placed using a pre-loader system to the paver. All traffic control will be the responsibility of the contractor. The proposals shall be submitted to the Highway Division at 930 East State Street in Mauston, Wisconsin by 8:15 am on March 13, 2018. The Juneau County Public Works Committee reserves the right to reject any or all quotations or to accept any quotation which in their opinion is the most advantageous to Juneau County.

Dennis Weiss  
Juneau County Public Works Director
